

Costumes for the Broadway, Billboard, and Cinema

Hello Parents and Students –

We are so excited for our upcoming show!

Our first show Broadway, Billboard, and Cinema will feature all of our choirs in two selections each.

We are finalizing outfits for each number. Each “outfit” should be items that can be pulled out of a student’s closet, or borrowed from a friend. Some students also like to shop at good will to get extra items that add to the concert.

Below are the numbers and suggestions for each. Please let me know if you have any questions. All students should be able to borrow, find in their closet, or if they choose, goodwill has many options that would work. :) Please email me if you need any help cmocha@hartdistrict.org

Aladdin -

Sop/Alto: Snug fitting, cropped shirts with long, full skirts or very loose fitting, full flowy genie-type pants (skirt does not have to be floor length) Colorful is a plus, but not a necessity. May prefer to wear tank tops that cover entire midriff (no sports bra-look) along with skirt/genie pants. Scarves may be worn three ways for this number; wrapped around both head and neck, twisted or folded thinly and tied about the head like a headband, or about the hips, over skirt/pants. Sandals. When adding jewelry, think “gypsy.” Large hoop earrings, big bright colored beads, multiple bangles.

Tenor/Bass: Vests. They do not have to have a shirt underneath, or you may choose to wear a solid colored t-shirt (no graphics) under the vest. The vest does to have to close. Another option is to wear an oversize light colored dress shirt, with the sleeves rolled to your elbows and the shirt tails untucked. Any sort of tunic that is colorful would work. Loose fitting, knee length shorts are good. Jeans cut off at the knee are good. White slacks/pants or harem pants in any color would work. Sandals if you have them, otherwise brown shoes with no socks. We have fezes for you, so don’t worry about headwear.

Seize the Day -
